

# About Us

Pacific Home Health Care Inc.'s team of skilled professional nurses, physical therapists, medical social workers, and certified home health aides are registered by the state of Illinois. All staff members are carefully selected, screened, and credentialed. In addition, staff members who conduct visits to the client's home undergo comprehensive medical screenings and criminal background checks.

In planning, Pacific Home Health Care Inc.'s staff works closely with the client's physician to provide the necessary services. Clients are informed about their treatment medications and are involved in making decisions about their health. At Pacific Home Health Care, Inc. it is our goal to meet the health care needs of our clients and the community.

Our knowledgeable, personable, and compassionate staff members work closely with each client's physician. In addition, client satisfaction is tracked through on-going evaluations.

Staff member skills are maintained through in-service education as well as a continuing external education.

Our efforts to strengthen the affiliations with the communities that we serve are accomplished by providing community health education.
